MUSIC WORKSHOP FROM CHAMELEON – Children thoroughly enjoyed a live musical performance on Tuesday afternoon from Chameleon. The visit was organised by Sound Waves South West (a Bude based charity specialising in music and music therapy) and Chameleon, a multi-instrument quartet, entertained everyone.

"I really enjoyed it, the music was calm and relaxing. I recognised the songs and sang along. I liked the piccolo the best." Jack

"I enjoyed the music and danced." Hector

"The music was really good and I enjoyed the conducting. I would love to hear the clarinet again." Billea-Jo

"I would like Chameleon to come again, I really enjoyed conducting then and they played really good songs." Leo

"There was a flute, clarinet, bassoon, saxophone and lots of other woodwind instruments. We went on a magical adventure with Pascal and Toothless. On the way we saw some magical fairies which was the flute, then the wicked witch was the saxophone. The clarinet was the genie who took the wicked witch away using the genie powers. Then we heard Bruno, it was brilliant!" Phoebe

PHONICS AND EARLY READING WORKSHOP - We would like to invite parents of class 1 & class 2 children to a Phonics and Early Reading Workshop on Wednesday 19th October at 2.45pm in the school hall.
