

# Manifesto

Marhamchurch C of E Primary School:

School Council 2022/23

Eco-Schools

Think about what a good school councillor would be like.

Why would you be good councillor?

Do you like to help others, have ideas, talk about them, make things happen?

I would be a great school councillor because...

If you elect me I will represent my class and promise I will try to.....

What would you do?

(Remember it has to be possible in school and you feel strongly about.)

What do you think would improve school?

What could you do that others would really like?

How can you involve everyone?

Remember write your **name on the back!** Voting is done anomalously in a **secret** ballot.

Ask you teacher to display this in your class.
