

Personal, Social and Emotional

In Owl class we will: take care of each other and learn to use our Golden Rules to make the right choices. Share and cooperate with our friends and peers. Think about the perspectives of others. Show resilience and perseverance in the face of a challenge. Know who to talk to if we feel worried and that sharing how we feel can help solve a worry.

Physical Development

In our physical development we will: learn to move safely in a space negotiating obstacles.

Practise our rolling, crawling, jumping, running and hopping skills. Develop our handwriting through fine motor skills activities. Use our core muscle strength to use a balance bike correctly. Use scissors safely and correctly.

Communication and Language

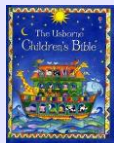

We will be learning to: ask questions to find out more and to check we understand what has been said. Use new vocabulary that relates to our theme. Recall and describe events in lots of detail using well-formed sentences. Begin to use past, present and future tenses correctly when we talk.

RE

The children will start with the Christian Bible story of 'The Creation.' Following this, the children will learn the Christian Festival of Harvest.

During December we will be listening to and responding to the Nativity Story.

OWL Class Termly Curriculum Overview

Autumn term 2024

'All About Me'

'Celebration & Materials'

Expressive Art and Design

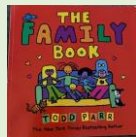

As artists, designers and musicians we will: be inspired by artists such as Andy Goldsworthy. We will be painting a self portrait. Children will learn some Harvest and Christmas songs and use musical instruments.

Children will be encouraged to discuss and explore 'colour' through different activities including paint mixing. We will use modelling to create props and models linked to the different stories.

Literacy

As writers and readers we will: begin to form our letters correctly. Use our phonic knowledge to begin to be able to blend and read CVC words. In our Read Write Inc sessions we will learn new sounds daily and use these sounds to begin to read and write. We will share stories about our homes and families.

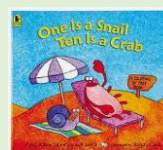

Please listen to your child read every day and record in their Reading Record.

Weekly visit to the school library is on Thursday.

Mathematics

As mathematicians we will: begin using number rhymes using amounts up to 5.

We will be exploring how numbers can be represented in a variety of ways. We will be working on recognising number patterns to 5 without needing to count them.

Understanding the World

As geographers, historians and scientists we will: explore our 5 senses and talk about different life stages. We will use technology to find out facts and use games to support our learning.

We will explore our school, village and local area. Compare and contrast characters from stories, including figures from the past. We will learn about celebrations around the world and toys from the past.

'Life in all its fullness' John 10:10
