Part A: Pupil premium strategy plan

Statement of intent

Our School Trust is committed to ensuring that every disadvantaged pupil receives the best possible education and that gaps in outcomes are closed in all key outcomes. We want our disadvantaged pupils to flourish in all aspects of their education. The disruption children and young people have faced to their education during the pandemic has been extensive nationally and will likely have profound consequences. Attainment and educational progress particularly for those disadvantaged has been affected, but so too has their emotional and social development.

This pupil premium strategy plan aims to close the considerable gaps in attainment as a result of the pandemic and mitigate the impact of the pandemic on children's lives.

The key principles of this strategy plan is to build sustainable, long-term support in order to overcome the barriers of:

- *Rebuilding a culture of good attendance*
- *Support for the increasing number of families going into crisis*
- *Younger pupils (Early Years and KS1) and, in particular, Early Reading*
-

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance rates have fallen.
2	Gap has widened in all outcomes in early reading outcomes for eligible pupils.
3	Gap has widened in Writing outcomes for eligible pupils.
4	Significant increase in the number of eligible children and families going into crisis.
5	Significant widening of gaps for younger eligible pupils (EYFS and KS1)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
A culture of good attendance is re-established across the school trust	More pupils are in school more of the time. Absence rates of eligible pupils are in line with national in all schools across the school trust and persistent absenteeism for eligible pupils is below nationals across the school trust
Gaps in early reading outcomes for all eligible pupils are closed. The bottom 20% in reading are targeted in a timely way to ensure that all pupils are reading by 6.	Gaps in early reading outcomes for eligible pupils are reduced to less than 10% across the school trust in the first year and in line with by the end of the third year.
Gaps in writing across the school trust for all eligible pupils are closed at both expected and greater depth.	Gaps in Writing outcomes for eligible pupils are reduced to less than 10% across the school trust in the first year and in line with by the end of the 3rd year
A full time Family Support/Safeguarding Lead works with eligible pupils and families. Pupils and families are supported in a timely way to ensure that disruption to education is minimised and barriers are overcome.	Gaps that have arisen due to barriers experienced by the most disadvantaged pupils are closing and eligible pupils are in school, supported and ready to learn.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: **£482,215**

Part B: Review of the previous academic year

Pupil premium strategy outcomes

This is the first year of a Trust wide Pupil Premium Strategy. Evaluations for 2021/22 for all schools can be found on individual websites.

From 2022/23 schools will each evaluate the impact of the Pupil Premium Strategy individually and publish.
